**Solid Waste Equipment Operator**

**Public Works Department  
Benton Crossing Landfill**

**SALARY**

**54: \$2,786 – 3,386.00  
\$16.07 – 19.53/hr.  
40 hrs. per week**

The County of Mono is accepting applications for the position of Public Works Maintenance Solid Waste Equipment Operator. Qualified applicants not selected for this position will be placed on a one (1) year eligibility list from which future vacancies may be filled.

The ideal candidate will be a motivated individual interested in a challenging career opportunity in the Solid Waste Division of the Public Works Department.

In general, job duties are as follows under direction, to perform the full range of assignments and duties involved in maintenance, repair and construction of roads, landfill waste cells and cover systems, drainage systems, and other structures at County solid waste facilities; to operate, maintain, and perform general repairs of all tools and equipment; to monitor and inspect incoming waste loads; to control and direct traffic; to maintain storage and stockpile areas; to perform routine grounds maintenance duties of County solid waste facilities; to explain and enforce rules, regulations, policies, and procedures to the public in a tactful and courteous manner; and to perform other job related work as required.

**Examples of duties:**

- Perform duties specified in written operating procedures established for County solid waste facilities and apply rules and regulations developed for such facilities.
- Perform the full range of duties in the maintenance, construction, and repair of on-site roads, landfill cover, drainage systems, and other systems at County solid waste facilities.
- Operate a variety of heavy construction and landfill disposal equipment, including bulldozers, landfill compactors, scrapers, wheel loaders, backhoes, loaders, motor graders, dump trucks, and water trucks.
- Operate a variety of smaller equipment: generators, steam cleaners, forklifts, welding equipment, cutting torches, air compressors, pumps, hand and power tools.
- Push and compact solid waste: excavate, haul, place, and compact soil to cover solid waste, and maintain daily, intermediate and final cover.
- Routine monitoring and inspection of incoming waste loads for prohibited material and remove and properly store materials.
- Assist with the operation and maintenance of facility stockpiles and storage areas.
- Perform scalehouse operation, laborer and ground maintenance duties.
- Perform general maintenance, adjustments and repair tasks including assisting mechanics.

**Application Process:**

For a complete job description and application contact the County Administrative Office at (760) 932-5412 or email: [tnaely@mono.ca.gov](mailto:tnaely@mono.ca.gov). Apply immediately! Open until filled. To be assured of being considered in the first application review, please submit your application by Friday, December 2, 2005.

**All completed County applications** received in our office will be considered. Faxes will be accepted (760) 932-5411 provided the application with the **original** signature is postmarked by the filing deadline.
